- To download Adobe Digital Editions, go to <http://www.adobe.com/products/digitaleditions/> and click on the **"Download now"** link on the right hand side of the page.
- After Adobe Digital Editions installs, you will be prompted to enter an Adobe ID to authorize your computer. **Enter either an existing Adobe ID or follow the instructions to create a new one.**

Step 3: Adobe Digital Editions will ask you to authorize your Sony Reader.

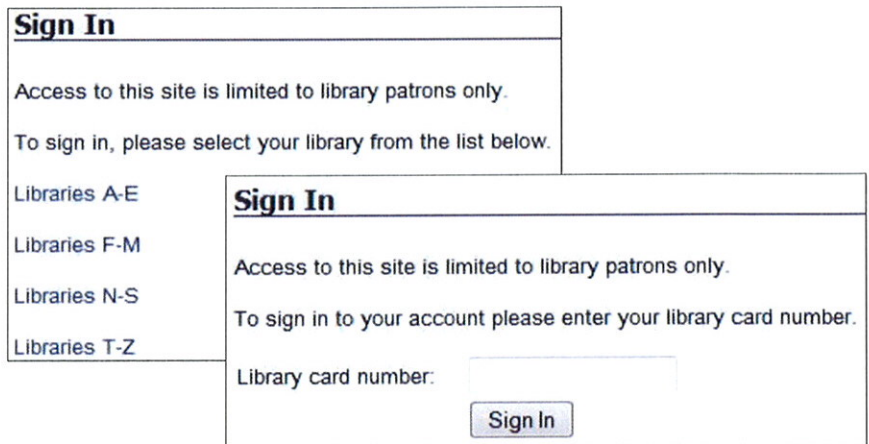

Step 4: Once you have authorized your Sony Reader, it should appear under your **"Bookshelves"** in Adobe Digital Editions.
